

It's a Business Doing Pleasure With You

Tim McGraw

i spent 1500 dollars on your damn dogs collar
put new spinners on your escalade
i swear i almost started crying when u brought up fine diomands
lord im spending more than i get paid!
you got more purses than versache
got my shoes than liverache
got your closet full of fancy shoes
all my credit cards are cookin
girl you dont know what your puttin me through

its a business doing pleasure
a business doing pleasure with you!

you got me walking past the fellas
holdin drinks with pink umbrellas
lord im so mad i cant even spell
then we slide over to goochie
right before we go for sushie
thats a version of my personal hell!
we just spent all day long tryin on the
theres a thousand other things that id rather do!
lord my mama beat me stupid if she saw what i was spending on you!

its a business doing pleasure
a business doing pleasure with you!

your gonna break my bank before too long
im taking out a loan
but win you turn your kinda lovin on
honey i just cant say no

no,no,no

NO,NO,NO!

your gonna break my bank before too long
im runnig out of dough
but when you turn your kinda magic on
honey i just cant say no

no,no,no

baby i better i start market
put some money in my pocket
aint no tellin wat your gonna need next
i need to steal a sherman tank just to break into a bank
