# Wordless

## Cinematic Sunrise

You know that I can't see
the damaged marking now
from the corner of my eyes
when this is all stretched out
to the wall and their lips are
shooing out at me

And as I look I see the cracks below,
And I see myself fall into them,
And I see what I've been running from,
And I just don't understand how you're gone,
How could you do this to me?

It's all been opened up
as wide as it can go
Still your lips are shooing out at me
You knew that I can hear every word
you shout at the top of your lungs

And as I look I see the cracks below,
And I see myself fall into them,
And I see what I've been running from,
And I just don't understand how you're gone,
How could you do this to me?

I've seen lovers dance
and I was under the impression
that you felt the same way, too
that you felt the same way, too
that you felt the same way, too
I've seen lovers dancing in windows
I've seen lovers dancing
I've seen lovers dancing in windows
I've seen lovers dancing
I've seen lovers dancing in windows
I've seen lovers dance
