

# Fist to Face

## Sinner

[Mat Sinner / Henny Wolter] Watch me go Under fire

Got no break

There's just so much that I can take

Hands in pocket

Clench my fist

Just one hit I never missed To cure my desire

And heal my disgrace

Put fuel in the fire

Fist to face - fist to face Out all night

I'm on a roll

Loaded and ready to explode

Won't stop running

Can't cool down

You know came to track you down To cure my desire

And heal my disgrace

Put fuel in the fire

Fist to face - fist to face

Fist to face - fist to face

Look out I gave it all

Just for the take

Got no more promises left to break

Souls for sale

Money to burn

I wonder if I'll ever learn To cure my desire

And heal my disgrace

Put fuel in the fire

Fist to face - fist to face

Fist to face

Fist to face

Fist to face
