

When the Wind Blows

Point Of Grace

Night turns to daylight
And things are quite the same
You wake up and make up
Another day's routine
Then the sun begins to shine as if
The face of god were near
And a trumpet sound is played as if
All the world could hear[Chorus:]
That's the day when the wind blows
That's the day when the earth begins to move
When the lion and the lamb start walking
Two by two
That's the day when the wind blows
When the sky is torn in two
And the lord of lords in all his glory
Comes for you
Oh, when the wind blows Beside you, behind you
Believers on their knees
And somehow you know now
Everyone you see
So hand-in-hand you fly away
To meet him in the sky
This man that you have dreamed about
He's right before your eyes[Chorus: Repeat 2X]
