

# Emergency

## Paramore

I think we have an emergency  
I think we have an emergency If you thought I'd leave then you were wrong  
'Cause I won't stop holding on So are you listening?  
So are you watching me? If you thought I'd leave then you were wrong  
'Cause I won't stop holding on This is an emergency  
So are you listening? And I can't pretend that I don't see this It's really not your fault  
When no one cares to talk about it  
To talk about it 'Cause I've seen love die way too many times  
When it deserved to be alive  
I've seen you cry way too many times  
When you deserve to be alive, alive So you give up every chance you get  
Just to feel new again I think we have an emergency  
I think we have an emergency And you do your best to show me love  
But you don't know what love is So are you listening?  
So are you watching me? And I can't pretend that I don't see this It's really not your fault  
When no one cares to talk about it  
To talk about it 'Cause I've seen love die way too many times  
When it deserved to be alive  
I've seen you cry way too many times  
When you deserve to be alive, alive These scars, they will not fade away No one cares to talk about it, talk about  
it 'Cause I've seen love die way too many times  
When it deserved to be alive  
I've seen you cry way too many times  
When you deserve to be alive, alive
