

Oh Brother

Dawn Landes

Oh Brother, Oh Brother
Do you have the time
To get to know each other
In a little pantomime
Tryin to walk the blood lineOh Sister, Oh Sister
Where has she gone
You'd knew even know you missed her
She's standing on the lawn
Waitin for love to come take her away
Away
Just trying to get away
But I can't escape
Mistakes have been made
Chalk it all up to fateOh Brother, Hey Brother
Did you really need a dime
Just think it over
You know you ask all the time
You leave your mother cryingYou say Sister, Oh Sister
Get off my back
Go and lose your temper, you'll never get it back
Believe me I'll be gone
I'm going away
Just trying to get away
But I can't escape the choices they made
Oh we're tryin to get away
But we can't escape
Chalk it all up to fate
Oh Brother, Oh Brother are you a friend of mine?
