

# Resistencia!

## Fear Factory

Hey! They walk over you  
As if you weren't there  
Equality does not exist  
In our cold life since they don't know who you are  
They don't care  
They don't see that we are  
Everywhere Nation under fire  
And they just sit back  
They don't seem to realize  
That we will fight back they don't know who you are  
They don't care  
They don't see that we are  
Everywhere Out of sight  
Out of mind  
Out of sight  
Out of mind They walk all over you. Look into their eyes.  
Make them see their foes.  
Thieves are in town, feed your world  
Destruct their fate to blow. They don't know who you are.  
They don't care.  
They don't see that we are  
Everywhere. Out of sight.  
Out of sight.  
Out of mind.  
Out of mind. Out of sight.  
Out of sight.  
Out of mind.  
Out of mind. Out of sight.  
Out of sight.  
Out of mind.  
Out of mind.
