

# Boiling Water

## Magnetic Man

Not a day goes by, I don't dream of how this life could be  
Not a day goes by, I don't dream of how this life could be  
Not a day goes by, I don't dream of how this life could be  
Not a day goes by, I don't dream of how this life could be I wake up and then I find myself in boiling water  
Not a day goes by, I don't cry a tear in memory  
I wake up and then I find myself in boiling water  
Not a day goes by, I don't dream of how this life could be Pick lock no need for key that brother going down  
with me  
Eye for an eye, tooth for a tooth, that's how I be  
Promotion in commodities, take the clan out with ease  
Conduct with the gun, believe I'm the one catch up on da ZI wake up and then I find myself in boiling water  
Not a day goes by, I don't cry a tear in memory  
I wake up and I find myself in boiling water  
Not a day goes by, I don't dream of how this life could be Living like the silver screen, painting the ends in green  
Supply on demand, I don't bite the hand, I lick the plate clean  
Keep my enemy near so I know the last thing he hear  
And value his life at less than the knife, I sleep without fear I wake up and then I find myself in boiling water  
Not a day goes by, I don't cry a tear in memory  
I wake up then I find myself in boiling water  
Not a day goes by, I don't dream of how this life could be I wake up and then I find myself in boiling water  
Not a day goes by, I don't cry a tear in memory  
I wake up then I find myself in boiling water  
Not a day goes by, I don't dream of how this life could be Not a day goes by, I don't dream of how this life  
could be  
Not a day goes by, I don't dream of how this life could be  
Not a day goes by, I don't dream of how this life could be  
Not a day goes by, I don't dream of how this life could be
