

# Fine Ass Mess

Mr. Probz

[Intro]

Let me tell yo something bout you girl  
You can't sexy with an attitude  
You wanna know why? Do you wanna know why?[Verse 1]  
Hear me out, shut up and listen for a me  
It's time to clean all these closets out, starting with you  
Sweet as a rose, but yet still covered in thorns  
It's hurting your image [hurting your image]  
Everyday you chose to live for the moment  
It sure got you dirty [it sure got you dirty][Chorus 1]  
Girl, you a fine-ass mess

I hate that it's true

Baby, it's time to get the mud off your dress  
Way too much been swept up under your rug[Post-Chorus]

Na na na na, na na na na na na na na na

Na na na na, na na na na na na na na na

Na na na na, na na na na na na na na na

Na na na na[Verse 2]

There's certain things that you just can't do  
Nobody laying in the bed that you made but you

You won't see the beauty I see

Red lights 'til you clean off your mirror

Down and dusted, broke and disgusted

Baby, don't trust the smoke and the mirrors

I'll show you what's clearer[Chorus 2]

You can't be a fine-ass mess

I hate that it's true

Baby, it's time to get the mud off your dress  
Way too much been swept up under your rug[Bridge]

She might say you're sexy

The whole world knows

Her beauty don't impress me cause her attitude's cold

Can be classy or trashy, no way to be both

Either one or the other, are you copper or gold?

Are you copper or gold? Let me know

Tell me why, yeah[Chorus 3]

Girl, you a fine-ass mess

I hate that it's true

Baby, it's time to get the mud off your dress

Way too much been swept up under your rug  
You can't be a fine-ass mess  
I hate that it's true  
Baby, it's time to get the mud off your dress  
Way too much been swept up under your rug
