

# Harvester of Sorrow (Remastered)

## Metallica

My life suffocates  
Planting seeds of hate  
I've loved, turned to hate  
Trapped far beyond my fate I give, you take  
This life that I forsake  
Been cheated of my youth  
You turned this lie to truth  
Anger, misery  
You'll suffer unto me Harvester of sorrow  
Language of the mad  
Harvester of sorrow  
Pure black looking clear  
My work is done soon here  
Try getting back to me Get back which used to be  
Drink up, shoot in  
Let the beatings begin  
Distributor of pain Your loss becomes my gain  
Anger, misery You'll suffer unto me  
Harvester of sorrow Language of the mad  
Harvester of sorrow  
All have said their prayers  
Invade their nightmares  
To see into my eyes  
You'll find where murder lies  
Infanticide  
Harvester of sorrow  
Language of the mad  
Harvester of sorrow  
Language of the mad  
Harvester of sorrow  
Harvester of sorrow  
Harvester of sorrow  
Harvester of sorrow  
Harvester of sorrow  
Harvester of sorrow  
Harvester of sorrow
