

So Will I

Southside Worship

[Verse 1]

God of creation

There at the start, before the beginning of time

With no point of reference

You spoke to the dark and fleshed out the wonder of light[Chorus 1]

And as You speak

A hundred billion galaxies are born

In the vapour of Your breath the planets form

If the stars were made to worship, so will I

I can see Your heart in everything You've made

Every burning star, a signal fire of grace

[If creation sings Your praises, so will I

[Verse 2]

God of Your promise

You don't speak in vain, no syllable empty or void

For once You have spoken

All nature and science, follow the sound of Your voice[Chorus 2]

And as You speak

A hundred billion creatures catch Your breath

Evolving in pursuit of what You said

If it all reveals Your nature, so will I

I can see Your heart in everything You say

Every painted sky, a canvas of Your grace

If creation still obeys You, so will I

So will I, so will I

[Bridge]

If the stars were made to worship, so will I

If the mountains bow in reverence, so will I

If the oceans roar Your greatness, so will I

For if everything exists to lift You high, so will I

And if the wind goes where You send it, so will I

If the rocks cry out in silence, so will I

If the sum of all our praises still falls shy

Then we'll sing again a hundred billion times![Verse 3]

God of salvation

You chased down my heart through all of my failure and pride

On a hill You created

The light of the world abandoned in darkness to die[Chorus 3]

And as You speak

A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You, so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender, so will I
I can see in Your heart eight billion different ways
Every precious one, a child You died to save
If You gave Your life to love them, so will I [Outro]
Like You would again a hundred billion times
But what measure could amount to Your desire?
You're the One who never leaves the one behind
