

# Ain't Got The Blues

## Blackberry Smoke

(Verse)

Well my fall from grace was a sight to see  
Good turned to bad and bad turned to misery  
I found out what it is and what it's not  
And all I ask for sure ain't what I got, no

(Chorus)

Well I've been rained on, rode hard and put up wet  
Danced with the devil 'til I'm in debt  
Took all I got and there ain't much left of me  
I've been knocked down, drug out and left for dead  
Barely held together by a few old threads  
And I'm still here there ain't much left to see, no  
Well I'm still holding on and there ain't much left of me

(Verse)

Thought that I hit bottom but I ain't there yet  
'Cause you'd be surprised of how low a man can get  
I watched stolen dreams slip through my hands  
And now I'm getting out of here still while I still can

(Chorus)

Well I've neen rained on, rode hard and put up wet  
Danced with the devil 'til I'm in debt

Took all I got and there ain't much left of me  
I've been knocked down, drug out and left for dead  
Barely held together by a few old threads  
And I'm still here there ain't much left to see, no  
Well I'm still holding on and there ain't much left of me

That's right

(Verse)

Well my fall from grace was a sight to see  
Nobody even cared what became of me  
Do I have to get down on my knees  
And ask the Lord, Lord have mercy on me

(Chorus)

Well I've been rained on, rode hard and put up wet  
Danced with the devil 'til I'm in debt  
Took all I got and there ain't much left of me  
I've been knocked down, drug out and left for dead  
Barely held together by a few old threads

And I'm still here there ain't much left to see, no  
Well I'm still holding on and there ain't much left of me  
There ain't much left of me  
I said there ain't much left of me, no  
Yeah well there ain't much left of me
