

# Lady M

## Blonde Redhead

Moon child Lady M,  
Lady M is for  
How many times have you?  
Afterwards do they?  
Are they supposed to? Moon child Lady M  
Lady is aching head  
How many times have you  
Afterward do they  
After you've done them  
Do they love you? When you dance you dance  
When you dance you dance  
When you dance you dance Moon light Lady Jane
