Love Again

New Edition

Do you remember when we were so in love
Could nothing separate us then
Don't know what happened
Tell me where the good days went
When I said, "I won't let this happen again"
No, not to your man, no
I'd never thought I'd see that I'd see the day
When I would never wonna leave
Baby, you were supposed to be
You were supposed to be in love with me
And over me, baby, just can't lose to love again
I can't lose to love again, love again
When you broke my trust with another man, another man
When you told me he was just a friend, just a friend
Girl, I can't lose to love again, not again
Thought it was okay and everything was cool
But then you flip this script on me
Thought I heard you call his name into were lovin' me
Girl, you must be crazy, I ain't havin' that, on how you gonna act
I'd never thought I'd see that I'd see the day
When I would never wonna leave, wonna leave
You were supposed to be
You're were supposed to be in love with and over me
Baby, I can't lose to love again
I can't lose to love again, love again
When you broke my trust with another man, another man

When you told me he was just a friend, just a friend
Girl, I can't lose to love again, not again
Baby, you gotta know that I ain't no fool
And people long I would know the truth
Girl, I refuse to lose in to love again, no not again, no
I can't change again though I'm feeling strange
You told me he was just a friend, I got my heart on my sleeve
Now it's kinda hard to breathe, it's kinda hard to leave, leave
I don't need another N E heart break
How much pain can a young cat's heart take?
I gave you everything you wanted and more
Yo Riz, I'm in looking a the front door

I can't lose to love again, love again
When you broke my trust with another man, another man
When you told me he was just a friend, just a friend
Girl, I can't lose to love again, not again
I can't lose to love again, love again
When you broke my trust with another man, another man
When you told me he was just a friend, just a friend
Girl, I can't lose to love again, not again
Can't lose to love again NE 2004
Legends have returned
Show me what you want
[Incomprehensible]
