Gold Dust

Tori Amos

Sights and sounds

Pull me back down

Another year

I was here

I was hereWhipping past

The reflecting pool

Me you

Skipping schoolAnd we make it up

As we go along

We make it up we

Go alongYou said

You raced from Langley

Pulling me underneath

A cherry blossom

CanopyDo I have

Of course I have

Beneath my raincoat

I have your photographsAnd the sun on your face

I'm freezing that frameAnd somewhere Alfie cries

And says, "Enjoy his every smile

You can see in the dark

Through the eyes of Laura Mars"How did it go so fast

You'll say as we are looking back

And then we'll understand

We held gold dust in our handsSights and sounds

Pull me back down

Another year

I was here

I was hereGaslights

Glow in the street

(Flickering past)

Twilight held us in her palm

As we walked along And we make it up as we go along

We make it up as we go alongLetting names hang in the air

What color hair

(Auburn crimson)

Autumn knowingly

StaredAnd the day that

She came

I'm freezing that frame
I'm freezing that frameAnd somewhere Alfie smiles
And says, "Enjoy her every cry
You can see in the dark
Through the eyes of Laura Mars"How did it go so fast
You'll say as we are looking back
And then we'll understand
We held gold dust in our hands
In our hands
