

# I'm Not That Kind of Guy

[Joe Nichols](#)

Ever since I met you I've been kinda  
Gettin' use to the way you hold me tight  
I quit all my runnin' around and all the my silly games  
That I play every night It never was my plan  
To be a one woman man But I'm not that kind of guy  
That ain't never been my cup of tea  
I'm not that kind of guy  
But somethin' about you keeps tellin' me  
That I'm gonna be I bent over backwards all my life  
To keep a ring off my hand, just be one of the boys  
All I ever wanted to be was a rodeo man  
And just make some noise It never was my plan  
To be a one woman man But I'm not that kind of guy  
That ain't never been my cup of tea  
I'm not that kind of guy  
But somethin' about you keeps tellin' me  
That I'm gonna be But I'm not that kind of guy  
That ain't never been my cup of tea  
I'm not that kind of guy  
Somethin' about you keeps tellin' me  
I'm gonna be Somethin' about you keeps tellin' me  
I'm gonna be
