

Regret & Testify (Remix by Lord of the Lost)

Chrom

Now I've got you
Down on your knees
I hear you praying,
You beg me please
Not to hurt you
Or even kill
I see you crawling
'Cause it's my will
Down in the dust
That's where you are
You try to reach me
But I'm too far
Your hopes and dreams
I will ignore
'Cause I'm my best friend
And that's for sure Look at me
Yes, I can fly
I came down just for awhile
I don't care about you at all
I just want to see you fall
So regret and testify
'Cause your time is passing by
Close your eyes and you will see
That you've lost your sanity Getting closer
I smell your skin
I hear you screaming
So full of sin
And when I get you
I'll let you know
That I'm above you
You're down below
Down in the dust
That's where you are
You try to reach me
But I'm too far
Your hopes and dreams
I will ignore
'Cause I'm my best friend
And that's for sure

Yeah, I'm my best friend
And that's for sureLook at me
Yes, I can fly
I came down just for awhile
I don't care about you at all
I just want to see you fall
So regret and testify
'Cause your time is passing by
Close your eyes and you will see
That you've lost your sanityLook at me
Yes, I can fly
I came down just for awhile
I don't care about you at all
I just want to see you fallLook at me
Yes, I can fly
I came down just for awhile
I don't care about you at all
I just want to see you fall
So regret and testify
'Cause your time is passing by
Close your eyes and you will see
That you've lost your sanity
