

Bhare Naina

[Nandini Srikar](#)

Kyun, na bole mose mohan
Kyun, hai roothe roothe mohan yun
Kaise manaun haye kaise manaun
Kyun, na bole mose mohan
Kyun, hai roothe roothe mohan yun
Kaise manaun haye kaise manaun Unn bin kate na raina
Unn bin aave na ik pal chaina
Unn bin jiyun to kaise main jiyun haye Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina
Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina When you go when you leave then you take a little piece of me
There's a hole in my soul coz you take a little piece of me
When you go when you leave then you take a little piece of me
There's a hole in my soul coz you take a little piece of me

...

Haan naino ke dwaare, aane ke vaade
Baandhe aise bolo kaahe
Chaukhat pe dil ki, aahat rakhi hai
Taako pe hai tohre saaye Unn bin unhe manaaye
Unn bin kabhi jo unko rijhaaye
Unn bin chale hai mora yeh jiya haye
Bahe naina bhare more naina, jhare more naina Mohe naina sune nahin kehna, bahe more naina
Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina
Haan komal badi hai, saasan ki dori Roothse se bhi toot jaaye
Baavan tarah se, jee ko manaaya
Khoje arjun tohri raahein
Unn bin unhe na paayun
Unn bin unhe main karva lagaun
Unn bin unhe na mora jee lagey haye
Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina
Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina
Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina
Bahe naina bhare more naina, jhare more naina
Mohe naina sune nahin kehna, bahe more naina
