

What If You

Joshua Radin

What if you
Could wish me away
What if you
Spoke those words today
I wonder if you'd miss me
When I'm gone
It's come to this, release me
I'll leave before the dawn
But for tonight
I'll stay here with you
Yes, for tonight
I'll lay here with you
But when the sun
Hits your eyes
Through your window
There'll be nothing you can do
What if you
Could hear this song
What if I
Felt like I belong
I might not be leaving
Oh so soon

Began the night believing
I loved you in the moonlight
So, for tonight
I'll stay here with you
Yes, for tonight
I'll lay here with you
But when the sun
Hits your eyes
Through your window
There'll be nothing you can do
I could've treated you better
Better than this
Well, I'm gone, this song's your letter
Can't stay in one place
So, for tonight
I'll stay here with you

Yes, for tonight
I'll lay here with you
But when the sun
Hits your eyes
Through your window
There'll be nothing you can do
