

Holding Out For A Hero

Ella Mae Bowen

Where have all the good men gone
And where are all the gods?
Where's the street-wise Hercules
To fight the rising odds?
Isn't there a white knight upon a fiery steed?
Late at night I toss and turn and dream
of what I need
[Chorus
I need a hero
I'm holding out for a hero 'til the end of the night
He's gotta be strong
And he's gotta be fast
And he's gotta be larger than life
larger than life
Somewhere after midnight
In my wildest fantasy
Somewhere just beyond my reach
There's someone reaching back for me
Racing on the thunder and rising with the heat
Isn't there a superman to sweep me off my feet?
[Chorus] I need a hero
I'm holding out for a hero 'til the end of the night
He's gotta be strong
And he's gotta be fast
And he's gotta be larger than life
Up where the mountains meet the heavens above
Out where the lightning splits the sea

I could swear that there's someone somewhere
Watching me
Through the wind and the chill and the rain
And the storm and the raging flood
I can feel his approach
Like the fire in my blood
Ill meet a hero
And then we'll dance till morning light
Dreaming he'll lead me,
Held tight tonight's the night
[chorus] I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong

And he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure

And it's gotta be soon

And he's gotta be larger than life

larger than life

ohhhh

Larger than life

larger than life

Oh Maybe

Maybe

Maybe tonight

Oh who oh
