

# Empte

## Skinny Puppy

Beat my head to wake up cause I feel as if I'm sleeping past is in the heart and I am waiting for the rhythmfeed  
the holy jaws  
no saying pain is the answer  
after all is gone  
the story leaves me feeling empty  
and all alone  
it leaves me feeling emptE breathe,  
we are all animals inside  
free,  
the spirit is alive to guide uswe're all alone  
and really feeling empty  
we're all alonewhen all revenge falls apart  
taken a step back from the startleaves me feeling empty IT  
leaves me feeling empty  
leaves me feeling empty  
leaves me feeling empty (x6)  
and all alone  
leaves me feeling empty (x2)  
and all alone
