

Everything (Live In Studio)

Lifehouse

Find me here, and speak to me
I want to feel you, I need to hear you
You are the light that's leading me to the place
Where I find peace again
You are the strength that keeps me walking
You are the hope that keeps me trusting
You are the life to my soul
You are my purpose
You're everything
And how can I stand here with you
And not be moved by you
Would you tell me how could it be any better than this? You calm the storms and you give me rest
You hold me in your hands
You won't let me fall
You steal my heart and you take my breath away
Would you take me in, take me deeper now
And how can I stand here with you and not be moved by you
Would you tell me how could it be any better than this
And how can I stand here with you and not be moved by you
Would you tell me how could it be any better than this Cause you're all I want, you're all I need
You're everything, everything
You're all I want
You're all I need
You're everything, everything
You're all I want
You're all I need
You're everything, everything
You're all I want
You're all I need
Everything, everything And how can I stand here with you and not be moved by you
Would you tell me how could it be any better than this
And how can I stand here with you and not be moved by you
Would you tell me how could it be any better- any better than this
And how can I stand here with you and not be moved by you
Would you tell me how could it be any better than this
Would you tell me how could it be any better than this
