Insomniac

Government Issue

I'm lying here in my bed
All life's problems on my head
I write about the things I see
I sing about you and me

Lyrics are rolling round and round
Gotta get up and write 'em down
Stupid assholes with big mouths
Stupid screaming outside my house

Open eyes in the night
What will happen when I die
Thinking about what's her name sick of playing this stupid game
Sex is wrong sex is barred

Try to change my thoughts but it's getting hard
Why even bother with this thing
When you're not even listening
I can't get to sleep
