Wrap Your Troubles In Dreams

Todd Murray

So much heartaches and pain
Always on my way
Living on living day by day
I got no future I got no past
Just going nowhere nowhere fast
How long does forever last
I'm not living in the past for you
I've gotta find my way through
Life goes on without any breaks
I got it baby what it takes
Dreaming on and on of better days
So many things to get done
Everyone's here a chosen one

We've got a long long way to come
I'm not living in the past for you
I've gotta learn my way through
Just
Wrap your troubles in dreams
It ain't that hard it seems
[x4]I'm not living in the past for you
I've gotta find my way through
Wrap your troubles in dreams
It ain't that hard it seems
[x12]
