

# Ride the Rhino

## Rhino Bucket

Little girl had a love affair  
Liked a boy with long, long hair  
Daddy came with a gun  
Said the evening's done  
Ride, ride the rhino  
Ride, ride the rhino  
Little sister in leather and lace  
Took a boy home too her place  
Big brother came with a baseball bat  
Party ended just like that  
Just like that  
Ride, ride the rhino  
Ride, ride the rhino  
Ride it hard, ride it fast  
Ride it slow, make it last  
Ride, ride the rhino  
Ride the rhino.
