## The/Das

everytime  
everytime i tell myself  
i gotta put this book back on your shelf  
'cause everytime, everytime i read from it  
i lose myself, lose myself a little bit more  
more  
i feel preteding  
i feel pretending all the time  
you've got to say  
yeah i feel fine  
i feel pretending  
i feel pretending all the time  
you've got to say  
show i feel fine
