

# I Dont Know Why (Jerome D'isma Ae Remix)

## Moony

Never happy, not satisfied  
Always complains for nothing  
Hopes and dreams are fading away It's not hard to figure it out  
There's no doubt, you'll find a way Live the moment, each and everyday I don't know why  
I cannot see the beauty in front of me  
I cannot  
I don't know why  
I cannot see the beauty in front of me (in front of me)  
(Now I see here, It's always been there  
People like their simple things  
Live the moment, each and every day  
I don't know why  
I cannot see the beauty in front of me  
I cannot  
I don't know why  
I cannot see the beauty in front of me (in front of me)  
Is it there? Is it right there?  
Right in front of you (right in front of you)  
This is what you've been looking for  
For a long, long time  
Make it real, make it right now (make it right now, make it right now)  
You've got to live it now  
I don't know why  
I cannot see the beauty in front of me  
I cannot  
I don't know why  
I cannot see the beauty in front of me (in front of me)
