

# Wishing On A Star

Rose Royce

I'm wishin' on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means I'm wishin' on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishin' on tomorrow, praying it'll come  
And I'm wishin' on all the lovin' we've ever done I never thought I'd see  
A time when you would be  
So far away from home  
So far away from me Just think of all the moments that we'd spent  
I just can't let you go, for me you were meant  
And I didn't mean to hurt you, but I know  
That in the game of love you reap what you sow I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together, whether or never I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together, whether or never I'm wishin' on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means And I wish on all the rainbows that I see  
I wish on all the people we've ever been  
And I'm hopin' on all the days to come and days to go  
And I'm hopin' on days of lovin' you so I'm wishin' on a star  
To follow where you are  
I'm wishin' on a star  
Ohh, and I wish on all the rainbows that I see I'm wishin' on a star  
To follow where you are  
I'm wishin' on a star
