

don't leave me this way

Melt

All of my life, all of my life
I've been searching for a love like ours
Somewhere to stay, somewhere safe
In your arms, I was so sure
Are you really saying your heart's changing
Do you really mean goodbye
Don't leave me this way, no, no
Don't tell me it's over
We've only begun and our love is so young
You're leading me nowhere
Don't leave me this way
Don't leave me this way
Say what's on your mind, one thing at a time
And I promise you we'll talk it through
Don't walk away, there's so much more to say
Though my words seem lost on you
Can't believe you're talking like we're just friends
Can't you see the tears I cry?
Don't leave me this way, no, no
Don't tell me it's over
We've only begun and our love is so young
You're leading me nowhere
Don't leave me this way
Don't leave me this way
Are you really saying your heart's changing
Do you really mean it this time, baby
Don't leave me this way, oh no
Don't tell me it's over
We've only begun and our love is so young
You're leading me nowhere
Don't leave me this way
No, don't tell me that it's over
We've only begun and our love is so young
Don't leave me now
Don't leave me, don't leave me this way
Don't leave me, don't leave me this way
Don't leave me, don't leave me this way
Don't leave me, don't leave me this way
Don't leave me this way
Don't leave me this way
If you'll just take a little bit of time
You just might wanna change your mind
Don't leave me, no, no, no, no
Don't leave me this way
