Long Drive Home

Dinner and a Suit

Is it safe to say
Did I always thought was end this way
Be careful with what you wish for
don't you chage your mind
perfection has its price.Sometimes turning around is the right thing
even thought it isn't easyCall it what it is
You forget but don't forgive
Something to be thruth for
any good excuse
whatever you got you lose
Sometimes turning around is the right thing
even thought it isn't easy
Always watch inside your windows
If you don't leave nothing
it would never goScared of what I
bring back to life
seeing you tonight
scared of what I
bring back to life
seeing in you
that timeSometimes turning around is the right thing
even thought it isn't easy
Sometimes turning around is the right thing
even thought it isn't easy
Always watch inside your windows
If you don't leave nothing
it would never go
