

A Song for You

Whitney Houston

I've been so many places in my life and time
I've sung a lot of songs and made some bad rhymes
I've acted out my life in stages with ten thousand people watching
Well, we're alone now and I'm singing this song to you I know your image of me is what I hoped to be
I've treated you unkindly but darling can't you see
There's no one more important to me? Baby, can't you see through me?
We're alone now and I'm singing this song to you You taught me precious secrets of the truth withholding
nothing
You came out in front when I was hiding
But now I'm so much better and if my words don't come together
Listen to the melody 'cause my love is in there hiding I love you in a place where there's no space or time
I love you for my life, you are a friend of mine
And when my life is over remember when we were together
We were alone and I was singing this song for you This song is for you, this song is for you
This song is for you
This song is for you, you, you, you
You, you, you, you, you, you I love you in a place, my dear friend where there's no space or time
I love you for my life, you are a friend of mine
And when my life is over remember when we were together
We were alone and I was singing this song to you We were alone and I was singing this song to you
We were alone and I was singing this song
Oh yeah, singing this song
I was singing this song just for you
