

Be My Lover (Salvatore Ganacci Remix)

Inna

La da da dee da da da da
La da da dee da da da da
La da da dee da
La da da da dee da
La da da dee da da da da da(One,two,three,go)I think I'm ready for you
You take me higher, get me to cloud 9
Go up to the light
Yeah you can see all you want
It doesn't matter cause we shine tonight
I won't let you goSo baby give me more
Don't leave me dancing on my own
Yeah you can put me on
And I can make your body glow
Cause you, you and I, I will run the show
In this moment you're all I wantHold me until the end of time
Cause we are written in the sky
Get close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
You will be mine tonight
Be my loverBe my loverNow let me do it to you
You've got my heartbeat beating like a drum
I'll show you how it's done
Yeah you can take all you want
Do what you like
Cause I'm all yours tonight
Love my body rightSo baby give me more
Don't leave me dancing on my own
Yeah you can put me on
And I can make your body glow
Cause you, you and I will run the show
In this moment you're all I wantHold me until the end of time
Cause we are written in the sky
Get close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
Be my loverBe my lover
Be my loverCaught in a moment
It's just you and me

Where have you been all my life
Come be my lover and take me away
Touch me and turn up my heartGet close to my lips
Lock you up in my kiss
Tell me you will be mine tonight
You will be mine tonight
Be my loverBe my lover
Be my loverBe my lover
Be my lover
