## HEALTH

Does it matter how?  
Does it matter when?  
If you market yourself for blood  
How do you come back?She sees red at night  
No one knows  
She sees red at night  
No oneIf she chooses girls matter (?)  
If she chooses guys ...  
Does she profit to fill her lungs?  
I want to hold her breath.Does it matter what?  
She sees red at night  
Does it matter where? No? one knows.  
If she markets herself for blood  
She sees red at night  
How will she come back?  
No one ..breakDoes it matter what?  
She sees red at night  
Does it matter where? No? one knows.  
If she markets herself for blood  
She sees red at night  
How will she come back?  
No one
