Together

Avril Lavigne

Something just isn't right I can feel it inside The truth isn't far behind me, you can't deny When I turn the lights out, when I close my eyes Reality overcomes me, I'm living a lieWhen I'm alone, I feel so much better And when I'm around you, I don't feel Together, it doesn't feel right at all Together, together we've built a wall Together, holding hands we'll fall Hands we'll fallThis has gone on so long I realize that I need Something good to rely on Something for meWhen I'm alone, I feel so much better And when I'm around you, I don't feel Together, it doesn't feel right at all Together, together we've built a wall Together, holding hands we'll fall Hands we'll fallMy heart is broken, I'm lying here My thoughts are choking on you my dear On you my dear, on you my dearWhen I'm alone, I feel so much better And when I'm around you, I don't feel Together, it doesn't feel right at all Together, together we've built a wall

Together, holding hands we'll fall
Hands we'll fallTogether, it doesn't feel right at all
Together, together we've built a wall
Together, holding hands we'll fall
Hands we'll fallWhen I'm around you and when I'm around you
I don't feel together, I don't feel together
And when I'm around you, when I'm around you
I don't feel together, no, I don't feel together
