

Far From Home

Red Orchid

La, la, la, la, na, na, na, na, na, na, na, na, na, na, na, na

La, la, la, la, na, na, na, na, na, na, na, na, na, na, na, na

Far from home

Ten thousand meters high life's not complicated

I guess I'm a lucky guy but still I find no reason

Why I feel so empty inside

I guess I'm far away from home tonight, tonight

All the places where I have been

And the rest of this world to be seen

But I feel that I'm far from home

And I want to be here on my own

All the places where I have been

And the rest of this world to be seen

But I feel that I'm far from home

And I want to be here on my own, far from home

Ten thousand meters high life's not complicated

I guess I'm a lucky guy but still I find no reason

Why I feel so empty inside

I guess I'm far away from home tonight

Why I feel so empty inside?

I guess I'm far away from home tonight, tonight

All the places where I have been

And the rest of this world to be seen

But I feel that I'm far from home

And I want to be here on my own, far from home

I guess I'm far away from home tonight, tonight
