

# Gratitude

## Beastie Boys

Good times gone, and you missed them  
What's gone wrong in your system?  
Things they bounce like a Spalding  
What'd you think, did you miss your calling? It's so free, this kind of feeling  
It's like life, it's so appealing  
When you've got so much to say  
It's called gratitude, and that's right Good times gone, but you feed it  
Hate's grown strong, you feel you need it  
Just one thing, do you know you  
What you think, that the world owes you? What's gonna set you free?  
Look inside and you'll see  
When you've got so much to say  
It's called gratitude, and that's right
