

True Love (Live At the Enmore Theatre, Sydney)

Coldplay

For a second, I was in control
I had it once, I lost it though
And all along the fire below would rise And I wish you could have let me know
What's really going on below
I've lost you now, you let me go but one last time Tell me you love me, if you don't then lie, oh lie to
me Remember once upon a time, when I was yours and you were blind
The fire would sparkle in your eyes and mine
