At nighttime I go out and see the people  
Air goes cool and hurryin' on my way  
And dressin' so sweet, all the people to see  
They're lookin' at me, all the people to see  
And when I set my eyes on you  
You look like a kitty  
And when you're in the moon  
Oh, you look so pretty  
Caught a glance in your eyes  
And fell through the skies  
Glance in your eyes  
And fell through the skies  
I'm walkin' down the freezin' street  
Scarf goes out behind  
You said, "Get them away  
Please don't say a word  
"Get me out of here  
Get me out of here  
I hate it here  
Get me out of here  
At nighttime I go out and see the people  
Air goes cool and hurryin' on my way  
A glance in your eyes  
And fell through the skies  
Glance in your eyes  
And fell through the skies
