

# don't fence me in

[Willie Nelson](#)

Oh give me the land, lots of land  
Under starry skies above  
Don't fence me in  
Let me ride through the wide open  
Country that I love  
Don't fence me in  
Let me be by myself in the evening breeze  
Listen to the murmur of the cottonwood trees  
Send me off forever but I ask you please  
Don't fence me in Just turn me loose let me straddle my old saddle  
Underneath the western skies  
On my cayuse let me wander over yonder  
Till I see the mountain rise  
I want to ride to the ridge where the west commences  
Gaze at the moon till I lose my senses  
I can't look at the hobels and I can't stand the fences  
Don't fence me in
