

Follow the River

[Calexico](#)

Shadow are calling
and I've been down all day
the city's asleep, my mind running the street
My dream of you in falling rainHouHou Hou, HouHou Hou
HouHou Hou, HouStill have the wound
That the sun won't never heal
Surrounded by the emptiness of everything every-was
I'm not giving up, I'm getting there
No I can't give up yet, I'm getting thereHouHou Hou, HouHou Hou
HouHou Hou, Hou
HouHou Hou, HouHou Hou
Hou Hou, Houswallowed by ambition
heart full of lies
till I follow the river
and found my way back to youHouHou Hou, HouHou Hou
HouHou Hou, Hou
HouHou Hou, HouHou Hou
Hou Hou, Hou
