

# What's the Use of Wond'rin?

[Amanda Palmer](#)

What's the use of wondering if he's good or if he's bad  
Or if you like the way he wears his hat  
Ooh what's the use of wondering if he's good or if he's bad  
He's your fella and you love him  
That's all there is to that Common sense may tell you that the neding will be sad  
And now's the time to break and run away  
But what's the use of wondering if the ending will be sad  
He's your fella and you love him there's nothing more to say Something made him the way that he is  
Whether he is fast or true  
And something gave him the things that are his  
One of those things is you So when he wants your kisses  
You'll give them to the lad  
And anywhere he leads you you will look  
And anytime he needs you  
You'll go running there like mad
