

# Take Control (Lust album)

## Lords of Acid

I'm moving, I'm follow the beam  
I'm hypnotised by your scream  
Created by love  
This feeling makes me groove  
This energy below  
The force is carry me over the top  
Not knowing how to stop  
I'm hungry, I'm hungry for your touch  
Feel the rhythm, feel the soul, Lords of Acid take control  
Feel the rhythm, feel the soul, Lords of Acid take control  
Feel the rhythm, feel the soul, Lords of Acid take control  
Feel the rhythm, feel the soul, Lords of Acid take control  
There's madness, to see that there's no gain  
Takes control of my brain  
It's pure, it's sick,  
It's a reflection of the soul  
Deepdown in my heart  
Filling a hole  
Created by hate  
The fact, the fact that I'm alone  
A victim turned to stone  
Feel the rhythm, feel the soul, Lords of Acid take control  
Feel the rhythm, feel the soul, Lords of Acid take control  
Feel the rhythm, feel the soul, Lords of Acid take control  
Feel the rhythm, feel the soul, Lords of Acid take control
