Gina Gina Gina Gina Gina
Oh yeah

Oh now I open up my heart to you
And I wouldn't change a single thing you do
Loving you is so humble
Nothing in this world
Could ever make me change my mind

Yeah

In all of these years
In a love so passionate and dear
I need to hold you near

Yeah oh

This is a perfect love
Casting out - yeah - fear
Ain't no room for doubt
To even live here
Oh no
Welcome to the kingdom of love

Welcome to the love of your life
In the kingdom of love
No more sad or lonely nights

Gina oh, Gina Gina Gina

Gina yeah yeah yeah

Oh yeah
Gina
I used to dream about the love
I found in you
And now it's here and it's true

I found the angel of my life -

yeah
And I can see her
when I look into your eyes

Gina ohohoh Gina
Gina Ohohoh Gina Gina
Gina
