## Combustible Edison

Aaaah...

Aaaah...

Aaaah...Welcome to Utopia  
Life here is perpetual bliss  
No cares, only happiness  
Love never diesPlease stay in Utopia  
With me, a perpetual kiss  
We'll share, in Utopia  
Love never diesAaaah...  
Ooooh...Love me in Utopia  
That's all I require to survive  
No cares, only happiness  
Love never diesPlease stay in Utopia  
With me, a perpetual kiss  
We'll share in Utopia  
Love never dies...
