

# Half Breed

## Björn Skifs

My father married a Cherokee  
My mother's people were ashamed of me  
The Indian's said that I was white by law  
The white man always called me Indian Squaw  
Half breed  
Is all I ever heard  
Half breed  
Let me hate the word  
Half breed  
She's no good they warned  
Both sides were against me since the day I was born  
We never settled went from town to town  
When you're not welcome you don't hang around  
The other children always laughed at me  
Give her a feather she's a Cherokee  
Half breed  
Is all I ever heard  
Half breed  
Let me hate the word  
Half breed

She's no good they warned  
Both sides were against me since the day I was born  
We weren't accepted and I felt the shame  
Fifteen I left and tell me whose to blame  
My life since then has been from man to man  
But I can't run away from what I am  
Half breed  
Is all I ever heard  
Half breed  
Let me hate the word  
Half breed  
She's no good they warned  
Both sides were against me since the day I was born  
Half breed  
Is all I ever heard  
Half breed  
Let me hate the word  
Half breed

She's no good they warned  
Both sides were against me since the day I was born
