

Dull Life (iTunes Originals Version)

Yeah Yeah Yeahs

One mistake in a subtle way
Like I'm walking again, all on me
Step slowly, you know that you fall between
Dark places, what a simple web we weave
We've seen the nightmare of the lies that you speak
The beast that I lie beneath is coming in
We've seen the nightmare of the lies that you speak
The beast that I lie beneath is coming in
Know myself
Well, oh hell
Prissy queen
Iron bars
Iron heart
Iron bars
Everything
A hundred years old
A hundred years old
Last on the village scene
Fall apart
Iron heart
More alive than you've ever been
We've seen the nightmare of the lies that you speak
The beast that I lie beneath is coming in
We've seen the nightmare of the lies that you speak
The beast that I lie beneath is coming in
Well, it's a dull life
It's a dull life
It's a dull life
It's a dark place
It's a dull life
It's a dull life
It's a dull life
It's a dull life
It's a dull life
Know myself
We've seen the nightmare of your lies [Repeats]
We've seen the nightmare of the lies that you speak
The beast that I lie beneath is coming in
We've seen the nightmare of the lies that you speak
The beast that I lie beneath is coming in
Know myself
