

Karaoke Overkill

Robbie Williams

We're all so chic living in class A
Partying and search sweet sorrow today
When you don't know who your friends are and neither do they
We're all so amused and maybe it's better that way
She's been seen with him
He's been seen with her
Happy propaganda
just add vodka and stir
Sing 'My way' and mean it
Karaoke overkill
We all should know better
But I bet we never will
We're insecure, making me think
I'm not fit to lace your drink
I've seen you in Marbella
You're a real player, taking it easy
We all know we shouldn't
And that is why we do it
Here's my glass house
Why don't you come and view it
Sing 'My way' and mean it
Karaoke overkill
We all should know better
But I bet we never
The sooner the better
I'll send you a letter, said
Hanging with your sister
Playing naked twister
Down to your joker
Playing strip poker
Give us a clue
Seeing the night through
And you're so vain
This song ain't about you
Hanging with your sister
Playing naked twister
Down to your joker
Playing strip poker
