Double Vision

Cabaret Voltaire

Feeling down 'n' dirty, feeling kinda mean
I've been from one to another extreme
This time I had a good time, ain't got time to wait
I wanna stick around till I can't see straightFill my eyes with that double vision
No disguise for that double vision
Ooh, when it gets through to me
It's always new to me
My double vision gets the best of meNever do more than I really need
My mind is racin', but my body's in the lead
Tonight's the night, I'm gonna push it to the limits
I live all of my years in a single minuteFill my eyes with that double vision
No disguise for that double vision
Ooh, when it gets through to me
It's always new to me
My double vision always seems to get the best of me
The best of me, yeah ay ayOoh ooh, double vision
(Ooh, double vision)
I need double vision
(Ooh, double vision)
(Ooh, double vision)
It takes me out of my head
Takin' me out of my head
(Ooh, double vision)
I get my double vision, oh oh
Seein' double double
(Ooh, double vision)
Oh, I have double vision
(Ooh, double vision)
(Ooh, double vision)
Yeah, I'm getting double vision
(Ooh, double vision)
I have got double vision
