

# Out To Pasture

Mudvayne

Like a worm boring through cinders and rock and ash I think I need a broom  
To sweep away the day cleanse us of the shame were in Im in Like a stray with the mange runs and lies and man  
I think I need to bathe to wash away the day cleanse us of the past and rid the taste chorus:  
You keep leading me you keep driving me you keep pushing me out to pasture  
to graze Cant keep strangling cant keep ignoring me cant keep choking me climbing  
a clock tower you keep telling us  
u keep shoving us you keep forcing us out to pasture to graze  
you stopped listening you stopped listening you stopped hearing me  
so im loading my gun like a bum sifting through dumpsters and garbage and trash I think I need some food ive  
starved away all day cleanse us of the hunger we're in im in like a snake sliding through sand and dirt and desert  
I think I need a tomb to blacken out the day peel me from the sun and keep me in my place chorus:  
u keep leading me you keep driving me you keep pushing me out to pasture to graze  
cant keep strangling cant keep ignoring me cant keep judging me climbing a clock tower  
you keep telling us u keep shoving us you keep forcing us out to pasture to  
graze you stopped listening you stopped listening you stopped hearing me  
so im loading my gun it seems to me there are so many things they don't want to share now doesn't that seem  
strange it seems to me its all for one but doesn't it seem strange that no ones for none not you not me no one and  
doesn't it seem strange that we don't know a thing doesn't it feel the same as the cattle out to graze don't you  
think its strange that we cant find our way don't you feel the same doesn't it seem strange that we don't know a  
thing doesn't it feel the same as the cattle out to graze don't you think its strange that we cant find our way don't  
you feel the same chorus
