Lead Me

Kip Moore

Oh no no no no no Lately something's come over me I once was blind, oh but now I see A power flowing through my soul Giving me control Making me feel whole [chorus]Lead me, all through the days I go I need you all through my life I know All my life I felt that i Would rise above and reach the sky All I needed was a helping hand And there you were For me once again [chorus] (I need you in my life) (I need you) Now I can thank you For showing the way Keeping me strong Every day All because of you I can do anything Lead me home Lead me home Please don't leave me Don't go away Cause I need you today in my life [chorus 2x]Cause I need you today in my . . .
